CENTRAL MINNESOTA FEDERAL CREDIT UNION DONATES SCHOOL
SUPPLIES

LONG PRAIRIE, Minn. – While many children and parents experience the time preceding the first day of school as a flurry of activity; purchasing backpacks, shopping for notebooks, and in general, buying out the entire stock of binder paper from an office supply store, others do not. Knowing there are disadvantaged students living in the area, Central Minnesota Federal Credit Union (CMFCU), in the spirit of community cooperation, stepped in to make a difference for the children of the communities we serve.

CMFCU staff, recognizing the fact that there are both parents and students struggling to find the means to purchase school supplies, managed to collect over 400 school supplies to be donated to Long Prairie-Grey Eagle Schools. By delivering a variety of school materials, CMFCU is helping to ensure that students will not come up shorthanded.

CMFCU was established in 1939 and has assets of more than \$500 million. CMFCU offers a complete line of financial services at branch offices located in Melrose, Albany, Grey Eagle, Freeport, Paynesville, Sauk Centre, St. Joseph, Cold Spring and Long Prairie, as well as by phone and online at www.cmfcu.org. Membership is open to persons who live, work, worship, volunteer, or attend school in and businesses and other legal entities in Stearns, Sherburne, Benton, Todd and Wadena Counties, portions of Otter Tail, Morrison, and Cass Counties, and the City of Willmar or immediate family members of credit union members.
